Work

Product Designer— Facebook

Seattle, WA | Fall 2017

Joining Facebook's Design team in Seattle after graduation.

Product Design Intern— Facebook

New York City, NY | Summer 2016

Created a framework for designing user education across Facebook's tools that connect small business owners with their audience. Iterated on an interface system that supports a variety of educational content in different contexts.

Product Design Intern— Groupon

Palo Alto, CA | Summer 2015

Redesigned mobile purchase flow across the different types of offerings available on Groupon Getaways. Prototyped potential login experiences for different use cases on web.

Leadership

Coordinator— Asian Christian Fellowship

Pittsburgh, PA | 2015 to 2017

Currently serving a community of Christians from Carnegie Mellon University, the University of Pittsburgh, and more by leading the Ministry Team and creating a vision for our future.

Education

Carnegie Mellon University

Pittsburgh, PA | Class of 2017

Information Systems B.S, minor in Design

GPA 3.66/4.00, Dean's List

Technical Skills

Designing— Sketch 3, Adobe Illustrator, Adobe After Effects

Prototyping— Framer.js

Coding— CSS, HTML, Javascript
